

MULTI-K

The ikan Multi-K

Kit Includes

Soft Case, Multi-K light, Camera shoe mount, AC Adaptor

ikan has become the standard in reliable, affordable production tools. Our new on camera LED light, the ikan Multi-K, is a small, lightweight and fits on the top of your camera. Although small, the Multi-K is power house of light providing excellent coverage for whatever you are shooting.

Best of all, the Multi-K has variable color temperature giving you the freedom to achieve just the right color balance for your subject without the hassle of gels. The Multi-K's red, white and yellow LEDs ensure you get precisely the color you need.
